# FIFTY-SIXTH ANNUAL REPORT 1928.

THE COMMITTEE OF ST. PAUL'S EYE HOSPITAL present their Annual Report for the year ending 31st December, 1928.

They desire to convey their grateful thanks to all those who have so generously contributed to the maintenance of the Hospital. The Merseyside Hospitals Council contributed £1,313, and in addition to this £180 was received from the University of Liverpool Students' Rag Day collection, £25 from the London Midland & Scottish Railway Hospital Fund and £26 5s. 0d. from the Everton Football Club, and £200 from the Trustees of the West Derby Waste Lands.

We are also grateful to record the following sums as contributions to the Capital Funds :—

£1,000 under the Estate of the late Mr. Jas. Bibby.  
£53 6s. 4d. under the Will of the late Miss Alice Oakes.  
£27 15s. 6d. and £50 from the Estates of the late Mr. R. T. Williams and Mr. David Williams respectively.

The Cases dealt with during the year were as follows :—

Total New Cases .....	.....	7,087
Total number of In-Patients .....	.....	805
Total number of Attendances .....	.....	33,321
Operations .....	.....	780

During the year the Hospital has sustained a great loss by the death of Miss Emma Bowring and Miss Amée Fletcher who had for many years been valuable members of the Ladies' Committee. We miss them greatly.

The Committee would specially thank the Merseyside Hospitals Council for the great help financially and otherwise which they have accorded during the year and which with other contributions have enabled them to effectively carry on the work.

We are much indebted to the Liverpool "Daily Post" and "Echo" for the installation of an equipment of Pillow-phones, and to the late Mr. G. Brookfield for a generous donation towards the cost of these. They have been much appreciated by the patients.

The attention of friends and subscribers and the public in general is particularly drawn to the fact that the requirements of the Hospital necessitate a large extension, particularly with regard to the Out-Patients' Department. Negotiations are therefore, in progress with the view of building an Annex, and it is hoped the work will be started before the end of 1929. This will entail a heavy expense, but the Committee feel they can rely upon the sympathy and support of Liverpool to enable them to meet the cost.

F. W. M. WILSON,

*Hon. Secretary.*

## ANNUAL MEETING.

---

---

THE FIFTY-SIXTH ANNUAL MEETING of the Supporters and Friends of the Hospital was held at the Town Hall on Monday, 1st July, 1929.

Mr. Walker, who presided, regretted that the Lord Mayor at the last minute had been unavoidably prevented from attending.

In submitting our Annual Report he remarked there was a Credit Balance of £376 1s. 6d. This had been caused through special circumstances. Looking at the item Land, Buildings and Equipment of the Hospital, it would be observed that nothing had been expended for the past year. That was not to say that nothing was necessary, there was a great deal necessary, the Out-patients' Department was entirely out of date and needed costly repairs. These should have been done last year, but with a scheme in prospect for building an extensive annex to the Hospital to bring it generally up to date, they were not carried out. For this building scheme a considerable amount of money would be needed and we would be appealing for generous support later.

Turning to the Income and Expenditure Account he pointed out that we were much indebted to the Merseyside Hospitals Council for their support and for the sum of £1,300, contributed by them. On the other hand our Subscriptions had dropped as compared with last year, as had also the sale of Drugs and Medicines. Referring to the Ophthalmia Neonatorum, the Chairman continued, it had been a wonderful

record. We had treated over 4,000 cases since 1908, and in that time only 35 out of the 4,000 had become blind. For the first time for the last four years one case had not responded to treatment, the reason being that it was brought in too late; it was absolutely essential to bring these cases at the first sign of disease.

We wished to thank everybody who had helped us, £180 had been received from the Liverpool Students' Rag Day Collection, £25 from the London Midland & Scottish Railway Hospital Fund and £26 5s. 0d. from the Everton Football Club, also £200 from the Trustees of the West Derby Waste Lands.

We gratefully acknowledged £1,000 from the Estate of the late Mr. James Bibby, presented by his Family in accordance with his wishes; £53 6s. 4d. under the Will of the late Miss Alice Oakes and £27 15s. 6d. and £50 from the Estates of the late Mr. R. T. Williams and Mr. David Williams respectively.

Mr. Walker stated how much we regretted the loss by death of two most valuable members of the Ladies' Committee, Miss Bowring and Miss Fletcher. We should miss them very much.

Our thanks were due to the Liverpool "Daily Post" for a Pillowphone equipment, a great boon to the Patients. He had much pleasure in moving the adoption of the Report and Accounts.

Mr. W. B. Lewis, in endorsing the Chairman's remarks, cordially seconded the resolution which was carried unanimously. He alluded to the fact and regretted that the Accounts this year shewed a Credit Balance, the reason for which had, of course, been explained by the Chairman. He felt from his own experience that when an Institution was in debt there was always more sympathetic support from the public in general. He referred feelingly to the loss sustained by the Ladies' Committee.

On the proposition of Mr. Saunders Jones, seconded by Mr. Parr, the members of the Committees as printed in this Report were duly elected.

Mr. W. J. Austin proposed a very hearty vote of thanks to the Ladies' Committee. He said it was a very pleasant duty, and those who had been associated with Public Institutions knew what a valuable asset ladies were to them in all their duties. The ladies were so tactful and had such sympathy and love of their work ; they did it in such a satisfactory manner that it reflected very great credit on all concerned and made the Hospital a success.

He regretted very much the loss by death of the two ladies mentioned. They did wonderful work and we should miss them greatly. This Resolution being warmly seconded by Mr. A. G. Gibbs, was unanimously adopted.

Mr. A. A. Kerr proposed a vote of thanks to the Medical Staff. He remarked that this occurred year after year and emphasised their valuable services to the Hospital ; he knew that we had a Staff, both of the education and the experience, which qualified them to act in this Hospital, and we were deeply indebted to them. Mr. J. Kirk cordially seconded this resolution which was carried with acclamation.

At the conclusion of the Meeting a cordial vote of thanks was passed to the Lord Mayor for lending the room in the Town Hall as also one to the Chairman for presiding.

F. W. M. WILSON,

*Hon. Secretary.*

“NOTE.—Had the usual repairs been carried out in the Out-Patients’ Department, our Accounts would have shewn a Debit Balance. The sum saved this year will, however, be required many times over as soon as the contemplated alterations are undertaken.”
